FRANKLIN TOWNSHIP LIBRARY
Amazing lives here.

Give your child a head start on a lifetime of reading with 1000 Books Before Kindergarten!

This free program encourages families to read together and build early literacy skills through the simple, joyful experience of sharing books. The goal is to read 1,000 books with your child before they start kindergarten—one book at a time. You can read the same favorite book again and again, because every reading counts!

Who can participate?

Children from birth through kindergarten entry are welcome to participate.
